

ULYSSES RV NSW RALLIES 2018

Summer on the south coast

Our first rally at this venue was a success. The waterworks, pool and beach provided welcome relief from the heat. So we plan to head back to Culburra.

Brooms Head is planned for 16, 17, 18th March. We are sure to hear more from Ken re the Birthday Bash.

Prepping for Winter at Peak Hill

Peak Hill is midway between Parkes and Dubbo on the Newell Highway. Our venue the Double D Caravan Park is a quiet and pet friendly park with drive through sites and owned and managed by fellow Ulyssians. Things to do:

- The CSIRO radio telescope (the Dish) is only 25km up the road.
- Take a self guided walking tour of the open cut gold mine.
- Or simply sit in the well appointed camp kitchen or around the fire.

Ho Ho Ho Christmas in July

Let's head north for some warm weather. Valla Beach on the Mid North Coast should be a comfortable destination for our winter get together. The manager has offered us pay for 2 nights get one free and repeat for the next 3 if you want to stay 6. We will plan to have a "Traditional" Christmas Dinner on Saturday night. So don't forget to bring your Christmas Decorations.

Yahoo Spring is here lets go bush

Lake Keepit. A short distance from Tamworth is our proposed bush bash. The advantage of this venue for a bush bash is that the toilets are close at hand and for those without showers in their van, amenities are just a short drive to the adjoining caravan park. Prepare to be fully stocked up with food and beverages as the nearest shop is bit of a drive away. As there is no Pub/Club within cooee wondered if a pot-luck style meal appeals to any attendees. If you are coming, please let us know what you think.

We are also planning a tag-a-long to Boonah for the AGM. More details later.
