## Editorial:

Hi all.

Well its that time of year AGAIN. My god, where on earth did the time go! This past year we got to see Albany (Happy Day CP), Back to Nature CP with the RVWA Group, Anzac Day at Gin Gin, 3 months in Denham (Shark Bay) fishing, with a small stopover at Dongara, Cervantes with the RVWA Group and back home in Gelorup for the remainder of winter. Now back to getting a real job (along with a haircut).

There is so much planned for next year, but first we have to survive the Silly Season with Christmas at our house (family) and New Years still to be determined.

What are you doing this Christmas? We hope that it will be a special time with Family and Friends and, of course, travelling around in our RV's. Christmas is special to a lot of people, a time to reflect on what is important in your life. So we hope that you can make it memorable for someone. Maybe even volunteering at the local retirement village and giving up some of your time to make their day, if they have no family. We have so much planned for the coming year, with lots of Rallies around the countryside and get together for the fun of it.

The National AGM will be held in Meningie SA in October, the NSW Summer Rally at Moruya in February, QLD Rallies still to be decided, WA

Rally at Fonty's Pool in February and the Tag-along to Meningie AGM in October 2019. So keep an eye on the Website for details as they become available.

After our marathon newsletter last time, I ask that when you submit your news articles, that you limit the amount of photos to 6-8 **maximum**. I know that its really hard to choose but I would prefer that you did it rather than me. A couple of our last reports had 3-4 pages of photos (most I managed to reduce in size). Thanks in advance. I have included my recipes page for the Weber/BBQ this round. Don't forget to send me your favorite recipe for others to try. Also I have not sent any 'Met the Member" requests out as I decided that I needed to do one on us. (seems fair to me)

**ARVIE'S BEEN FOUND** and has now gone on another holiday. This time with Jill & Roger Foster. Hopefully he will be able to join us in WA, after August (plans at this stage) to travel back across the Nullabor to meet up with everyone at the next AGM.

Well that's all for now folks.

*This Christmas, we wish you all the best in life –  
The gift of Happiness –  
The gift of Love –  
The gift of Peace –  
Merry Christmas and Happy New Year  
From our Family to Yours.*

That's all for now. Keep the shiny side up.

FASSIFERN GUARDIAN—Praise for Boonah Community.

Attached is a letter send to The Editor, FASSIFERN GUARDIAN BOONAH from Gordon & Judy Crosswell

**The Editor**

**FASSIFERN GUARDIAN**

**BOONAH**

Please find attached an article that has been generated through our association with the Boonah Community during our recent October ULYSSES RV GROUP NATIONAL AGM RALLY.

Our members had such a wonderful time in the Scenic Rim and we thank your community for their generous spirit and support.

Gordon and Judy CROSSWELL & Blip and Di HENDRIKS

**ULYSSES RV GROUP DONATES TO THE AGED CARE REDIDENTS OF BOONAH**

October was a busy time for the Ulysses RV Group hosting their National AGM Rally at the Boonah Showgrounds. The generosity of the Boonah Community, Boonah Show Society / Caravan Park and The Harrisville Lions made for a very successful event for members.

Not only was the RV Group able to raise and donate funds towards the Therapy Pool through the Harrisville Lions, and to Drought Relief through the QCWA but also

the busy work of our female members over the past year in putting together knitted and crocheted rugs was graciously acknowledged by staff at the Fassifern Aged Care and Blue Care Respite Centre. These presentations to Aged Care Facilities have become a trade mark of our ongoing support providing joy for both the creators and recipients.

The success of our event was embossed by the spirit of the Boonah Community in welcoming our members and creating such a positive tone to our event. And another positive- our rally brought the rain to the Scenic Rim! The showgrounds literally turned green before our eyes.

Thanks again Boonah.

Gordon and Judy Crosswell/Blip and Di Hendriks, Queensland Coordinators.

**SA RV Clayton Bay  
Rally Report .**

**CLAYTON BAY 16<sup>th</sup> to 18<sup>th</sup> November 2018**

Leading up to the weekend at Clayton Bay, the forecasted unpredictability of the weather meant we might get a really great weekend or a weather affected weekend. As it turned out we had both. The early starters who got there on Thursday saw the wind build up through the afternoon, but on the positive side the sun still shone. As the wind was coming in diagonal to our sites, we were able to seek shelter on one side of the caravans.

After setting up our sites and having a look around the park we settled in behind a caravan for happy hour. Just before the sun set across the river, producing some magnificent colours in the sky, we thought it was time for dinner, although nobody had much enthusiasm to do anything. In the end the easy way was taken. "Mr Aldi" 3 cheese pizzas with a variety of meats added to the topping went into the Webber. When they were cooked, I'm not sure if the hunger pangs that had set in or the alcohol was taking effect or they were just good pizzas, but everyone enjoyed them and their hunger was satisfied.

Friday, after a still morning, we saw more wind build up in the afternoon and night. However it didn't stop people coming to Clayton Bay. By evening we had a good crew exceeding 20 people, set up on the banks of the River Murray. It was good to see a few couples who are not regular attendees coming along for this weekend. Hopefully they are encouraged to come along to more weekends next year.

With the wind still hanging around on Saturday, most people decided to have a fairly relaxed day. Sitting protected from the wind between Hoppy & Pats motorhome and Brett and Judys caravan, it was quite pleasant for some of us to laze around and watch the yachts battling the breezes on the water. Others went to neighbouring towns for lunch or just to look at the local sights and attractions.

That night the local café/restaurant had music organised for a few hours from 7pm, so most of us booked a table for a meal and some entertainment. With the restaurant deck protected from the wind, we were able to enjoy the great views across a reserve to the River Murray, have a good meal and listen to 60s, 70s and 80s music.

Sunday was pack up day for some, while the rest could have more chill out time on the banks of the river. Thank goodness the wind had died down a bit from the previous days. Again water activities entertained us, but this time it was mainly skiers or kids on rubber donuts being towed behind speedboats or jetskis. There were a few "Oohs, Aahs and Wows" as we saw the kids get dumped off the donuts in spectacular fashion as they crossed the wake.

After a quiet night it was Monday and time for the rest of us to leave. Again it was great to have some visitors over the weekend with MMM, Sue & Grant dropping in from time to time. With MMMs and Sues shack just across the road from the CP, it was quite convenient for them. Most interestingly dressed visitor was Graham who was still dressed in his clown suit after participating in the Christies Beach Pageant. Carolyn wasn't quite as adventurous as she arrived in her civvies. Well done Graham, I bet you got a few looks along the way when you got out the car.

This was the last SA organised weekend for 2018 and next years program is nearly complete. The calendar has the dates set but we still need to finalise the destinations. The RV AGM is in South Aust next year, come along and support that on

A 31' Avida Longreach (named 'the Lodge' (or it could have been 'George' but Pete objected to that)) which we flat tow a Suzuki

Grand Vitara or take the Cruise Craft 16' 90HP boat behind when we travel up north or around the country side. We have 2 little chihuahuas (Ben & Jack) which also tag along with us for the ride.— And no they don't like it very much—but such is life.

Arvie at the hospital with Roger.  
About an hour after I arrived at Glendale my new Foster mum received a phone call telling her that Roger was being discharged from hospital. So she bundles me in the Kangaroo and off we go to pick him up.

**Riesling and Red Currant Glazed Ham**

Prep Time **15mins** Cook  
Time **4hrs** Difficulty **Medium**  
Servings  
Ideal  
for

**Ingredients**

6-7 kg pickled leg of pork, uncooked  
2 tablespoons whole cloves

**Glaze**

60g butter  
4 shallots, finely chopped  
2 tablespoons fresh thyme leaves  
2 cups sweet Riesling  
2 cups red currant jelly  
4 tablespoons balsamic vinegar  
1 teaspoon freshly ground black pepper

**Method****Step1**

Set up your kettle for indirect normal fire cooking method, using approximately 25 barbecue briquettes in each charcoal basket. Light the fire-lighters and move the charcoal baskets to the center of the cooking grill over the flames.

**Step2**

With a sharp knife, cut the rind around the pork, around the knuckle and down the center to free it on all sides, ensuring that you have cut right through the rind to the fat, but not into the flesh.

**Step3**

Approximately 35-40 minutes after lighting, all of the coals will be ashed over and ready for cooking. Separate the charcoal baskets using tongs. Place foil drip trays between the two fires - must be large enough to catch all of the drips. Place the cooking grill on the barbecue with the grill handles directly over the fires.

**Step4**

Place the pork on to the cooking grill. Close the lid, ensuring the air vents are open and positioned over the indirect zone. Cook for 2.5 hours to blister the skin.

**Step 5**

To make the glaze, combine the butter and shallots in a saucepan over high heat until the shallots have cooked. Add the thyme, Riesling, red currant jelly, balsamic vinegar and black pepper. Continue to simmer for 10 to 15 minutes or until the glaze has thickened and caramelized, stirring often. Set aside to cool completely.

**Step 6**

Remove the skin with tongs. Score the fat in a diamond pattern, being careful not to cut into the flesh, as the ham flesh will dry out.

**Step 7**

Top up the charcoal baskets with additional barbecue briquettes. Add 3 wood chunks onto the coals. Continue to cook the ham for a further 30 minutes to render the fat before applying the glaze.

**Step 8**

After 30 minutes of the ham cooking without the skin, decorate with the whole cloves. Apply a generous amount of the glaze over the ham and continue cooking for a further hour, glazing the ham every 20 minutes.

**Step 9**

Once the ham has cooked, remove the ham from the barbecue and allow to rest for 15 minutes before carving.
