June 2015

From the Editor's Desk.

We have been house-sitting in Temora, NSW for the past two months, Temora, for those who don't know is the home of the Aviation Museum which has Australia's only two flying Spitfire aircraft. Central to the Riverina area, there is much to see, not only in this town, but in neighbouring towns, such as Aria Park, 35 kms away, the town of Bowers, Wowsers and Fig Trees.

In Temora itself is the impressive Rural Museum, which also hosts several other exhibits, including the Ambulance Museum, an old church, school and Don Bradman's first home.

Fifty kilometres south is the town of Junee, home of the Licorice and Chocolate factory, and needless to say our cupboards are well provisioned with those delicacies after a visit there.

Wagga Wagga is a further 35 kilometres on from Junee and we have made several trips there as well, including a couple where I got tested and fitted with new hearing aids. No more nodding and smiling

now when people talk to me and hoping I am giving the right response.

Whilst we have been here, I have taken the chance to purchase and install solar power to the roof of the van. The panel came last Thursday, the mounting kits and regulator yesterday and wouldn't you know it, the rain came yesterday as well, and is expected to last to the end of the week.

Murphy's Law.

Arvie has finished his stay with Hobbit and Vicki and has headed off on an adventure with Hoppy and Pat. Here is the message Hoppy sent me about his travels.

Hi Everyone,

Just letting you know that Arvey has arrived safe and well at our house after a long stay with the "Hobbits", (I am sure that it was an education to die for?)

Well Arvey has had a week or so resting and is looking forward to heading off to Cadell for our week-end on the Murray. After that He will be heading off up

into the Gulf country, via Lawn Hill, & Adel's Grove.

He is going to do some 4x4 travel and planning to stay on a few remote cattle stations.

After that experience we will still be on the "dirt" and travelling around the eastern end of Kakadu, keeping an eye out for croc's all the time, as we all know that Arvey's swimming ability leaves a bit to be desired.

Finally after about 2 months ending up in Darwin, plans from there are to be decided.

Photo's will be sent to Rick when we have coverage.

safe travels to all from,

Hoppy, Pat & Arvey

We will be heading off from Temora next month and going North to Qld for some warmth. I won't say it has been cold here, but the minus temperatures in the morning makes life interesting.

See you on the road,

Rick and Sherol.

FUTURE AGM'S

2016.

In 2016 we will be returning to Victoria and having our rally at the Mallacoota. Ken Graham has been doing the groundwork there and we have tentatively booked 136 powered sites for the weekend of 17th—20th October 2016. More details will be available later in the year.

2017.

We are going to Western Australia for 2017. The proposal was put to the members at the AGM and favourably received, so we have given the go-ahead to Judi and Wayne to book the site, which is the Margaret River Big Valley Campground for the weekend 20th to 22nd October. The site is a working farm caravan park, with showers and toilets and some powered sites, with room for over 70 vans. The West Australians had their inaugural rally there and were very impressed. South western W.A., especially the Margaret River area is full of attractions, great wineries, cheese and chocolate factories and lots of scenery and

S.A ROUNDUP—Cadell Weekend - .

With all the wild weather around it was great to hear a good forecast for the Cadell weekend - blue sky with moderate temperature. The drive to Cadell was a very pleasant one along the Riverland. The camp ground is the local unused oval with trees lining the boundary. The toilets and showers were fabulous and they even offered free washing facilities. By the time we arrived on Friday afternoon there were already well over 2 dozen Ulysses Members waving, chatting and laughing. It was

a great sight. We parked the bus next to the fire pit, as we had a trailer of wood. Put up the annex, out with the chairs & table and got straight into the spirit of things.

As night approached we lit the fire. It is always amazing to see how many pyromaniacs there are in our group. There is nothing as good as sitting around a campfire with a great group of friends. Soon the tall tales, funny experiences and jokes were being heard and exchanged. By now, with even more members rolling up we had a huge crowd of happy campers. It was a very mild night so it wasn't until the early hours of the morning that everyone went to bed.

The sun rose into beautiful blue skies with the birds singing in the trees. After breakfast a group set off to Waikerie for the market and a rock & roll festival. It was a lot of fun seeing the

cars & dress of the era. Meanwhile back at the campground music was abounding. There were guitars, ukuleles & a banjolele in full swing with some singing as well. What a fabulous way to spend a day. Then along came the booze bus! Not the police but the local winery heritage bus. He set up a table of his produce and offered samples to the folk there. He was nearly crushed in the rush! This

was a great start to another social night around the fire.

Again that night the flames roared and the laughter and chat soared. It was just the time for a lovely warm fire. Much wine was produced and sampled from the afternoons purchases. It was so good to see the huge group of members enjoying that great Ulysses Spirit. We managed to burn all the wood we had brought. As the night wore on the folk went off to bed, tired and content. Isn't it amazing how quickly Sunday comes around on a weekend away. Breakfast smells were

wafting across the campground and the kettles were boiling. Soon the packing up began and the farewells exchanged. Again it had been a fabulous weekend that has spread friendship and goodwill to everyone who came.

A big thank you to all that came and made it such a memorable time. Also thanks to Max for organising this week end and especially for organising the wine tasting.

Cheers from Max, Hoppy & Hobbit

ULYSSES RV GROUP QUEENSLAND RALLY REPORT

TAG-A-LONG of SOUTH EAST QUEENSLAND

PART A: 20-21 May - Oakey Creek Reserve

The chill may have frightened a few RVers off this Rally but this section was new to many of us and it was great to have from Interstate Ian, Robyn + Bundy their fluffy dog from NSW and Peter and Jose from VIC. The camping area at the Reserve was a huge mowed area on Oakey Creek, just within odour distance of a Darling Downs Feedlot with the prevailing westerly winds. We experienced one short period of rain, and a mechanical fault for Neil and Faye's "Blue Kermit Coaster", which saw them overnight at a different "free camp" not mentioned in Camps 6 or 7 -the RACQ depot in Dalby, with hot showers and toilets. Fortunately they were able to join us for the last morning at Oakey Creek and the l.o.n.g trek (30kms) to Jondaryan Woolshed.

PART B: 22- 25 May - Jondaryan Woolshed

At Jondaryan other Ulyssians joined our travelling convoy to enjoy this unique setting of animals, machinery, evening fire pit and the friendliest of Blacksmiths. We had full newly installed amenities. What Luxury!!!! The fire pit in the old camp kitchen was a popular venue for drinks and sing-a-

long, and "SANTA" the Blacksmith put on our own private showing. The Men's Group attended this while the women had a "Stitch and Craft" session. A wedding ceremony and a number of school bookings were also hosted on site so we were able to see the giant draught horses in action carrying passengers around the site. Pot Luck dinner was again very popular. The bocce challenge was convincingly won by the men's team. Lots of laughs!

PART C: 26 May – 01 June Goomeri Showgrounds

GOOMERI PUMPKIN FESTIVAL

It was an interesting convoy as we packed up and set off for the next stage of the tag-a-long. Heading back to Oakey our group then headed north to Cooyar for morning tea, a walk on the swinging bridge and a visual check to see if any platypus were still out and about. Goomeri Showground had only basic amenities but we enjoyed our stay, visiting the shops, drives

around the countryside etc. A new bush camp being prepared near Goomeri shows promise. We were unable to access power at the showgrounds except for medical reasons. This split the group for this part of the experience, with some members of our group basing

themselves at Kilkivan Bush Camp and at Bjelke Peterson Dam. Ken and Doreen also joined us for this section, both very excited about purchasing land in the Gympie area and drawing up plans for their new home.

Another singalong was held around Ken's portable fire kit, we attended a joint dinner at the local pub and shared in an evening camp oven meal at the Showgrounds Hall. The Festival and Parade was held on the Sunday with many stalls, entertainment, pumpkin rolling etc. etc. Ian and Robyn had an interesting travelling rig, including a trailer with the Goldwing, sets of golf clubs and of course "Bundy" their small travelling companion. They were also celebrating their visit to SE Qld by calling in on their newest grandchild at Hervey Bay.

The Goomeri Pumpkin Festival was in full swing on Sunday; most of us walked up early to see the sights – The Rooftop Express Show, Matt Golinski Cooking Display, Whip Comp., Cultural Dancers, Campfire Cooking, the Procession with the heaviest pumpkin (64.8kg) displayed on a trailer, Belly Dancers and myriads of Market Stalls. We missed our SCAN (Senior Citizens Afternoon Nap) that day!

A wonderful time was held by all.

We look forward to more safe and happy travels.

THE FINAL WORD.

In the last newsletter I wrote about de-commissioning the forum part of our website and instead setting up blog software. Well, cutting a long story short, the feedback I got from a few members was to keep the forum as it is. I have freshened it up a bit, but we still need members to use it. I know that there are lots of caravan/travelling/motoring/lifestyle forums out there, as well as Facebook, but our forum is specifically ours and for members of the RV Group only. I have had a look at Facebook groups in particular, and they are prone to being hacked, even one I look at which is a closed group was hacked this morning and pornographic pictures posted, so I have steered away from setting up a Facebook page, apart from the Travels of Arvie page. The blog software did not work out as well as I wanted, even though it is a good single user application, tailoring it to multiple users was fraught with problems, so I uninstalled it.

Cobar and the AGM is drawing closer, and registrations have been steady, but slow.

At the time of going to publication with this newsletter, 78 members have registered to attend. There is still plenty of time to register, but what is important is that you book your site with the caravan park, to ensure you get a site. The Miner's Ghost Festival is on the same weekend, and at some stage the caravan park management will decide to release sites held tentatively for us back to other users, so book now to guarantee a site if you are thinking about attending.

See the information on **Page 6** of this newsletter.

Whilst on the subject of the AGM, **Terry and Jan Hill of Mudgee Wine Tours** have gracefully offered to donate a dozen bottles of wine for us to consume on the night of the pot luck dinner instead of providing a dish, which we have gratefully accepted. If you are in the Mudgee area, here is some information about their business, and if your leanings are towards buying or sampling good wine they offer exceptional value to members. Sherol, Jenny Kennerson and Lyn Lesslie did this tour some years ago with Terry and Jan, whilst I was at a Natcom meeting, and they all came back raving about the experience, and I suspect a little stonkered as well.

People may like to look at their website for info regarding their tours.

Half Day Tours: 10.00am to 1.00pm: 2.00pm to 4.30pm: Accommodation pick up: Tour is \$50 per person

Full Day Wine Tour: 10.00am to 4.30pm: Accommodation pick up: Tour is \$80 per person and pay for own lunch.

With our tours we don't have any set wineries if you would like to visit any let us know before tour. Terry and Jan are very pleased to be told we have been awarded "**Certificate of Excellence**" by TripAdvisor this is our second year in a row.

Mudgee Wine & Country Tours: m 0407 204 150: www.mudgeewinetours.com.au

Don't forget, check the website (<http://ulyssesrv.org>) to see where the rallies are happening and go along and join in. You won't regret it.

Cheers,

Rick and Ken.
