2025 NATIONAL RALLY

Hi all, the time is fast approaching for our National Rally in Longford Tasmania this October. We hope everyone has secured their booking on the Spirit of Tasmania, if not you can always go on a waiting list for space that may be freed up because of a cancellation etc. These things do happen, so ring and enquire on 132010.

But wait, all is not lost. AutoRent has recently come on board and has offered discount rates to our members coming to our National Rally. AutoRent Launceston offers a wide range of Motorhomes, Campers and SUV cars for rent and is pleased to help us.

Just to let you know, rental rates are set fairly low at the moment, but as the year goes on and availability weakens, prices WILL RISE before October. Getting in early will reward you with an extra discount too. So book as soon as you can and you will be given 10% discount off the current price and if you book at least 90 days prior to your hire date you will receive an additional 5% off the current price, giving a total of 15% discount.

To book, simply go to the website www.autorent.com.au and use ULYSSES as the Promo Code to receive these discounts. On the website you will see the available dates for these discounts are set from the 1st of September to the 30th of November. But if you are staying here for longer than these dates please ring 1300 067 222 and AutoRent will help you to extend your rental dates and the discounts will definitely be honoured by AutoRent.

Note, AutoRent is right next to the Launceston Airport and you will be helped with your transfer too.

Next, make sure you have booked your site at our caravan park – The Longford Riverside Caravan Park phone 03 6391 1470. Sites are filling up and they are not reserving them for us, so get in quick. Last year's prices are being held for us and you will need to pay a deposit to book, which is fully refundable if you need to cancel up to two weeks prior.

If you are wanting another type of accommodation, please see the National Rally tab on our website www.ulyssesrv.org where there are a number B and B style rooms advertised.

We have a busy program of events and activities planned for the week of 6th to 12th of October, some tried and true events and some ***different and unusual*** ones. We will also have a real lot of info on the local area that you can go and explore by yourself. Longford is a very old town and has some very interesting history stories to be told.

So come along and catch up with old friends and make some new ones.

We look forward to welcoming you all.

A CLOSING NOTE; Today is the oldest you've ever been and the youngest you'll ever be from now on, so enjoy it while you can.

SOME EARLY NOTES FOR TRAVELLERS COMING TO LONGFORD IN OCTOBER

The Raffle

This year's main rally raffle at Longford will be a **Pantry Raffle**.

We are going back to basics for our raffle this year so please bring something that the winners can put in their caravan or motorhome and take with them on their trips.

Some ideas for donations are anything from a can of baked beans, a packet of biscuits or even a bottle of expensive French Champagne or anything in-between of course. All non-perishable, in date, foods and drinks are acceptable, but keep in mind the suggestion is for something we can use on our travels.

NOTE any out-of-date foods will be removed from the prize pool.

All moneys raised from this raffle will be donated to UCARF and to a local charity '**The Helping Hand**' who helps out people in financial trouble mainly in the Longford area and its surrounds.

Rally after the Rally

For those still in Tasmania after the National Rally in Longford, and before you depart our Island Home, we are hosting a **RALLY AFTER THE RALLY**, at The Gowrie Park Wilderness

Village near Sheffield in North West Tasmania in October. Dates are still to be confirmed so stay tuned.

Also attending will also be other members from Tasmania who couldn't attend Longford, so it could be a big rally.

Gowrie Park is a venue we Tasmanians frequent yearly so we can thoroughly recommend. Gowrie Park is a bit out of the way location where you can relax, go touring, bushwalking, do a cave tour, go mountain biking, kayaking and check out Sheffield's shops and bakeries.

This Rally will be in a good location for those wanting to get to the Deloraine Craft Fair, which is the **Largest Craft Fair in The Southern Hemisphere** and is held in Deloraine on the first weekend of the first Sunday in November; 31/10/25 – 2/11/25. NOTE; nearby caravan parks in the area are always booked out for this event, so plan ahead.

All details are still to be put in place so stay tuned.

The Longford Show

This agricultural Show is regarded as the best one day show in Tasmania, a real country affair. If you are still in the area, book a caravan site and have a look at the show. It's on Saturday the 18th of October.

VISIT THE PENINSULA RALLY - REDCLIFFE SHOWGROUNDS

January 30 - February 03 2025

What a relaxed way to start off the year! Just north of Brisbane and over the Hornibrook Highway is Redcliffe, the home of The Dolphins Rugby League and for only a few days, the home for our RV Rally. Following input from Barry who had visited the area for another Caravan Rally and from Liney and Sue who live on the Peninsula, setting up our first rally was relatively easy.

As per usual the first rally of the year has members coming back from holidays with relatives and just getting their own years planned, so numbers were initially slow but the end result was 19 RVs locked in at the Showgrounds. The caretakers were very supportive and were more than comfortable with our collecting fees and managing our RV sites. The Showgrounds were on maximum numbers, but we were able to find sufficient powered sites, some with shade. Most of our members settled in on Thursday; and our visit to the Caboolture Warplane Museum and morning tea on Friday morning was a good place to start! We were divided into two groups at the museum with our own guide to take us through the static displays while on the tarmac we could hear the engines of small planes, helicopters and the tow plane taking gliders for elevated views of Moreton Bay.

Saturday Night Dinner was at the Moreton Bay Boat Club with seating out on the verandah with a feast for the eyes of moored vessels in the marina. The sunset was breath taking and food and service more than satisfactory.

Sunday Mystery Drive and Pub Lunch at Dayboro was greeted by beautiful weather and delightful roads and views. Blip and Di (Organisers Extraordinaire) at the head of the convoy and Bevan and Therese taking up the rear. Winding roads took us through farmland, forest, views of the Glasshouse Mountains and morning tea at The Gantry deep in the D'Aguilar National Park. The Gantry is a remaining structure to remind us of the Timber Industry in years gone by.

Bee Gees Way at Redcliffe took visitors into the history of the Gibb family and their journey to fame, and the ice cream shop on the Boulevard was a popular stop!! Views from the seaway to Moreton Island, Redcliffe Jetty; and the shipping channel to the Port of Brisbane were good viewing. The weather was reasonably kind to us for this time of the year, with the odd storm and some strong winds.

Thank you everyone for your company.

Catch you on the road and keep on enjoying our RV Experiences,

NEW SOUTH WALES

NSW Summer Rally 2025 Kangaroo Valley

Not many participants at this rally, only 3 vans/motor homes in attendance.

The weather was on and off with a bit of rain overnight.

Ian and Robyn Richardson were able to get out most days on Richo's beautiful BMW to enjoy the scenery and great biking roads of the area.

Happy hour was quiet but enjoyable with our small gathering.

The large resort style pool of the caravan park made the more humid days quite comfortable.

Everyone enjoyed the quaint cafes and shops in the village with the lolly and fudge shop being a favourite. Coby and David joined Lindsay, the Richo's and Ian and Jenni for lunch at the Friendly Inn for a delicious meal and beverages.

Due to the Kangaroo Valley show being on the weekend we all had to pack up early on the Friday and head home.

18th BIRTHDAY BASH

Reflections North Haven, New South Wales.

Another magnificent RV Rally held at Reflections North Haven for the 18TH Birthday Bash. Unfortunately, due to Cyclone Alfred a lot of our lovely members from Queensland were battenning down the hatches, then mopping up the aftermath.

They all were truly missed, and we hope to see their happy smiley faces soon.

Due to Alfred, it was a bit damp at first, but we ended up with 35 sites after pull-outs, with 68 people attending.

Monday night we all had a wonderful meal at the Laurieton Pub, especially when it was the 2-for-1 deal.

Tuesday was Craft morning for any ladies who were interested.

The men ventured off to the Kendall Men's Shed, where Cameron and his crew supplied the guys with morning tea and a good chin wag.

Wednesday Lawrie organised Barefoot bowls at Club North Haven, followed by Lunch. A few of the ladies plus Doug went to "Seniors Time to Shine" at Historic Douglas Vale Homestead and Vineyard. The homestead is the oldest timber house in the Hastings region with outbuildings dating back to the 1800's. It has been beautifully restored with the help of Conservation Group volunteers.

Thursday Vince organised a Tagalong Tour to the Longworth Tramway Heritage Walk, which contains remnants of the reconstruction of 90 metres of track in the North Branch State Forest. 10 vehicles attended. Beautiful clear blue skies, lots of leeches, a few squeals, so quite a few didn't hang around!

Morning tea was held at Swans Crossing Camp Grounds where some of the men rediscovered their youth within the children's play area.

Dinner was at Laurieton United Services Club.

Friday A large number of our campers had an enjoyable time on the Senior's Hastings River Cruise at Port Macquarie. Lots of fun and games were enjoyed by all.

The Park Manager, Craig, did a wonderful Sausage Sizzle for all our members at the park's cost (and his labour included).

Saturday Happy Hour was held in the Camp Kitchen followed by some delightful music by Dusty, Boppa and Rob & Rob.

Marilyn, Vickie & Del did a super job with the salads.

The evening and whole week was another tribute to Bob, Dusty and Vince with their hard work in putting together another successful Birthday Bash.

Doug once again did a brilliant job with his photography, it's a pity he wasn't firing on all 4's.

The Raffle had some great prizes, with Cheryl Aurisch winning the B.E.S.T. Water Filter from regular sponsor Col Hopgood, and Lionel Baker won the Reflections Parks 5-night accommodation voucher.

Until we all meet again, keep smiling and safe travels wherever they may be.

Sue and Doug

TASMANIA

WAYATINAH RALLY – TAS

FEB 28 – MAR 3

The Wayatinah Lakeside Caravan Park served as the venue for this late summer rally.

The Wayatinah lagoon is located at the confluence of the Derwent and Dee rivers in the Derwent Valley. The caravan park is established on the original recreation oval of the formerly bustling Wayatinah village. The park itself is expansive, with the original cricket pitch still running down through the center of the park.

This Rally was planned to run over 3 nights, and 19 members shared the event, some coming and going as their time allowed.

Happy hours were made easy, the park owner stoked up the large fire pot and opened the container bar to his guests. This bar then doubled as coffee shop in the mornings.

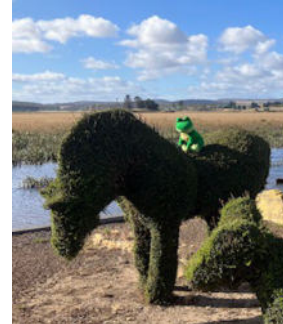

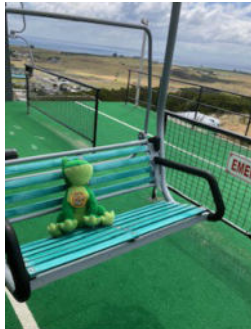

On Saturday afternoon a group of 7 members set off on their mountain bikes to explore the hydro infrastructure around this area including the wood stave pipeline with its many leaks and then a tricky crossing over the dam wall. Some with wet feet. Others walked up to the village or sat around the camp and had a chinwag.

Saturday night was a pizza affair. Bring your pizza ingredients, make your own pizza creation cooked in the wood fire pizza oven. This type of event identifies those who do or do not read the rally flyer and possibly go hungry, I'll mention no names Dick.

Those few members who remained on Sunday night gathered around a fire pot and played 5 crowns by meager torch light and incinerated marshmallows.

ARVIES TASSIE SOJOURN

Arvie won't be left behind on any journey; he's now permanently settled in the ute's back seat.

In January, we joined Arvie at the Tassie Groups Stanley Rally. He rode the chairlift up 'The Nut,' despite experiencing some vertigo and admitting he's more comfortable in lowland swamps.

Stanley has quaint buildings in the main street that have been utilised as movie sets. 'The Nut' is a central feature formed from an ancient volcano with a forest area at its summit. If you plan to stay at the Big4 park, ensure you are not situated near the back wall of the fish factory, as it may be noisy.

Arvie took a photo opportunity at the Red Bridge in Campbelltown. This bridge holds national significance as it is the oldest in the Australian national highway system, built in 1836. The construction involved building the bridge on dry land before diverting the river through it. How's that for genius.

If you are heading south, turn left just past the bridge to reach a large free camp on the river edge.

Oatlands, founded in 1821, is another historic town a short detour off the Midlands Highway. The main street showcases 19th-century buildings and remnants of its convict past. This main street has also been transformed as a movie set for period productions.

Free camping is available adjacent to the windmill. There is also limited free lake side camping near where Arvie rides the topiary horse.

Arvie's minder, Gary Rush.

April 2025

It's been a little quiet on the website recently with little action other than updates for the Tassie AGM and some new rallys added.

It's going to get even quieter as Marilyn & myself head off for a 3 month visit to the UK & Ireland! We will be back by mid-July but the State Coordinators will update you all directly with rally information and if you want to know what's on in another State just drop them a line by email or give them a call!

Don't forget to check out the National Rally page for all the info on our upcoming Tasmania adventure. I'll start putting up more information and links for those heading over when we return.

Registrations will likely now open in mid/late July but if you haven't booked the caravan park then please do so now. All bookings are fully refundable upto close to the start date!

We receive comprehensive stats from our internet provider so I can see what pages are popular and downloads of Kermit etc. I noted also that one or two of you are still finding the old individual State pages which are now very obsolete. If you do land on one of those then it is because your service provider has saved it on their own server to reduce the costs of visiting the page. To clear this, you would refresh the page (it's the little circular arrow at the top of your browser. Just click on it and it will take you instead to the current page. Many providers do this to save costs so good idea to occasionally click that arrow to ensure you have the latest information.

So, enjoy the autumn rallys and hope to see some of you at one when we return!

As always if you spot an issue, your browsers block our site (a common issue due to over-enthusiastic virus programmes) or just have some suggestions then please do contact me at webmaster@ulyssesrv.org or call 0401 140 585 (but not too late please).

National Rally – Longford, Tasmania

Bendigo Rally

What another great turn up for our Victorian Rally. We had 44 people attend this rally where we welcomed a couple of newbies Graeme & Sharon Tipping and Jaqui Todd. We also had the pleasure of Lynne & Jim from NSW join us which was wonderful.

We were very fortunate to been given the use of the function room at the caravan park which is very rare and served us very well as it was air conditioned and we could use it whenever we needed.

As you will all notice I am not very good at remembering to take photos so I would like to thank Sue Poyser and Mike Munro who always do a great job of taking these photos for me.

Bendigo is a beautiful town with lots to see and do so if you are ever down south, please take the time to visit. Some of our members rode the Hop On Hop Off Tram, Bendigo Pottery, Golden Dragon Museum and Botanical Gardens.

Our first night started with happy hour in the function room with 38 people catching up with who they hadn't seen for a few months. Gave everyone a run down on what couple of activities we had planned.

On the Friday a dozen ladies took themselves off to the Bendigo Woollen mills to see what bargains they could pick up while a few of the men had a morning tea together. Saturday night we had a dinner catered for in the function room. There was plenty to eat for everyone with a few going back for 2nds. We also had some music and a couple of ladies gave us a bit of Karaoke.

As a group on Monday, we took a trip out to The Stupa which is approx. 50 metres high. This is not to be missed as it was stunning and gave you a sense of peacefulness. After we spent a couple of hours looking around, we then enjoyed a lunch at the Marong Hotel just down the road. A very pleasant afternoon had by all.

In the evenings we had our usual ladies who are often up for a good game of cards. The weather was absolutely beautiful for the week we were there and we had a couple of very hot days so many or most of us spent time in the pool at the park.

At our last happy hour, we were pleased to have Rob who played the didgeridoo for us. A talent he kept hidden until the last evening. If anyone has a musical instrument that they like to play or if you like to sing, please let me know and we would love to listen to you in the evenings or happy hours

We are so very lucky to have such a wonderful and lovely group of people. We look forward to catching up are reading this newsletter and haven't been to one of our rallies please think of joining us as we really are a lovely bunch of people who are just out to have a great time with friends.

WESTERN AUSTRALIA

Not a lot of action during the last few months but we did have a really nice visit to Greenhead for our 'Birthday Bash'. Will be quiet for the next couple of months as we are reluctant to be away during school holidays and quite a few of our group are enjoying other options including us so our b next event will probably not be until July. That's unless someone else wants to organise an event in the meantime.

Greenhead Birthday Bash

A small group of us travelled the 180 kms north of Perth to Greenhead during February for our annual birthday celebration.

Greenhead is a small community on the coast which does have a lot of attractions around and about, in fact it is so small it doesn't even have a pub. Everyone seemed to enjoy the surrounds and even got adventurous and went for a swim and also kayaking.

The weather itself was quite warm but did get a little windy, normal weather for this time of the year on the west coast of WA.

Our group consisted of 25 people with a mixture of caravans, onsite accommodation and motorhomes., including a couple of visitors from the eastern states.

My apologies as I have lost my notes from the weekend, but I think it was Sue and Steve Hopkins, please let me know if I have the names wrong. Regardless, many thanks for attending and I hope you enjoyed your stay. It was good to see Judi and Pete there, still supporting the cause., I think they were the main swimmers.

Moving on, as I said early in the piece our next event will probably be late July and most likely the Eastern Wheatbelt. We are looking at Cunderin at present but it could also be Quairading. More information to follow shortly and both are in the same area.
